3. At the end of Title VI, add the following:

“Sense of the House on Immigration Reform

(a) The House finds that---

- (1) fixing the country's broken immigration system will mean a stronger economy and lower budget deficits;
- (2) The Congressional Budget Office (CBO) estimates that enacting H.R. 15, the Border Security, Economic Opportunity, and Immigration Modernization Act, will reduce the deficit by \$900 billion over the next two decades, boost the economy by 5.4 percent, and increase productivity by 1.0 percent;
- (3) the Social Security Actuary estimates that immigration reform will add up to \$300 billion to the Social Security Trust Fund over the next decade and will extend Social Security solvency by up to two years;

- (4) America is a nation founded, built and sustained by immigrants, and we have a responsibility to harness the power of that tradition by implementing an effective immigration policy;
- (5) the current immigration system is broken because it keeps families of legal immigrants and U.S. citizens separated for decades, it allows for the exploitation of undocumented workers to the detriment of all workers, it discourages legal immigration and does not meet the needs of our economy, and it keeps millions of hardworking, law abiding families who have lived in our communities for decades hiding in the shadows, which includes many thousands who came to the U.S. as infants or young children;
- (6) it has been nearly 300 days since the Senate passed, on a bipartisan basis, its comprehensive immigration reform bill;
- (7) immigration reform is needed to secure the sovereignty of the United States of America and to establish a coherent and just system for integrating those who seek to join American society;
- (8) as a nation, we have the right and responsibility to make our borders safe, to establish clear and just rules for seeking citizenship, to control the flow of legal immigration, and to eliminate illegal immigration, which in some cases has become a threat to our national security; and
- (9) a successful immigration system will mean smarter, more accountable and efficient border security; a system that promotes the reunification of families; a system that protects workers and is responsive to the needs of employers; strong employment verification laws; and an inclusive legalization program for those who are currently here.

(b) It is the sense of the House that it is imperative that the full House vote on comprehensive immigration reform – such as H.R. 15, the Border Security, Economic Opportunity, and Immigration Modernization Act – to establish clear and just rules for citizenship, secure our borders, boost our economy, and lower deficits.

- 4. Make all necessary and conforming changes to the Chairman's mark.
- 5. Amend the committee report to reflect the following policy assumptions:

The resolution accommodates H.R. 15, the Border Security, Economic Opportunity, and Immigration Modernization Act. Immigration reform will not only bring clear and just rules for those seeking citizenship and help secure our borders, but it will also boost the economy and reduce budget deficits. The Congressional Budget Office estimates H.R. 15 will reduce the deficit by \$900 billion over the next two decades, boost the economy by 5.4 percent, and increase productivity by 1.0 percent.
