

## **Democratic Motion to Instruct #1**

# **President Trump's Broken Promises**

## **Offered by Reps. Boyle and Jeffries**

Mr. Boyle and Mr. Jeffries move that the Committee on the Budget direct its Chairman to request on behalf of the Committee that the rule for consideration of the American Health Care Act make in order an amendment that would prohibit any provision of the bill from taking effect until the Secretary of Health and Human Services certifies that relative to current law, its provisions and amendments result in (1) no increase in the number of individuals without health insurance; (2) more affordable health care (as measured by the amount paid out of pocket toward health care); and (3) better health insurance (as measured by improved health insurance benefits).
